I am very grateful for Dr. Martin Luther King Jr. He helped and inspired many people of many colors to be kind and treat others equally. He inspires me to be a kind and caring person. I will carry on his message and as I do, people will notice and start spreading his message too. "I have a dream," he said, and that inspired me to make the world a better place. To make this happen, I will do many things. To start, I will help people in need by donating things I do not need and giving to charity. Also, I will keep being kind to everyone no matter the color of their skin. Lastly, I want to learn more about inspirational people, like Dr. Martin Luther King Jr. Dr. King who showed love and kindness to everyone, no matter what, so I want to too. Dr. Martin Luther King Jr. taught us all an important lesson. No matter the color of your skin, the money you have, or your uniqueness, you are awesome!
